

# Floramask™

## ODOR MASKS

For nearly 20 years, Florachem Corporation has brought products and services that offer value to meet a demanding marketplace. Our expertise in fragrances and other similar chemistries led to the development of our Floramask™ products.

Floramask™ odor mask agents offer a cost-effective alternative for many industrial odor control applications. We offer several standard odor masks that work effectively in a variety of formulas. Floramask™ products are warehoused in Florachem locations throughout the USA.
